

## **MSPO CERTIFICATION PROPOSAL**

BQAS is a Certification Body registered with Malaysian Palm Oil Certification Council (MPOCC). It has the competency and experience in the evaluation and assessment of management systems. BQAS is accredited by Department of Standards Malaysia (DSM) on the basis of the requirements of ISO/IEC 17021 to certify management system.

Resulting from the review of the application, BQAS has accepted to certify the Client for conformance of its management system to the requirements of Malaysian Sustainable Palm Oil (MSPO) Certification Scheme.

Now, under this MSPO Certification Proposal, it is proposed that BQAS provide Malaysian Sustainable Palm Oil (MSPO) Management System Certification Service to the Client by first defining;

1. The Scope of Works,
2. MSPO Certification Process,
3. BQAS Assessment and Certification Regulations
4. Quotation on Fees and Charges

on the basis of which BQAS has to assess the management system of the Client in term of its conformance to the requirements of MSPO Certification Scheme. That would include the Rights and Obligation of both the Client and BQAS, and the Timing and Fees & Charges in executing the certification activities as specified in the Terms & Conditions for MSPO Certification attached.

It is understood that this MSPO Certification proposal shall become binding once Accepted and Signed.
